The National Anthem

Nigeria we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.
Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

The National Pledge

I pledge to Nigeria my Country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honour and glory
So help me God.

■ Rotary Prayer ■

We pray that it will be our care
To spread it bounteously

■ Rotary Grace ■

O Lord and giver of all good
We thank thee for our daily food

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

■ Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

■ Rotarian Code of Conduct

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment

■ The 4-Way Test

**of the things we Think,
Say or Do**

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIP**?
4. Will it be **BENEFICIAL** to all concerned?

Paul P. Harris
Founder

Paul P. Harris the founder of Rotary was born at Racine, Wisconsin, U.S.A. on April 19, 1868. When he was three years old, he was taken to Willingford, Vermont, to live with his paternal grandparents.

The Black River Academy at Ludlow, Vermont and Vermont Academy at Saxtons Rivers, prepared him for his studies at the University of Vermont, Princeton University of Iowa. Following his graduation from the Law School of the University of Iowa in 1891, he decided to spend the next five years to see the world and coming to know his fellowmen, before settling down to practice Law in Chicago.

He worked as a newspaper reporter, a business college teacher, a stock company actor, a cowboy and salesman for a granite concern and settled down as a lawyer in 1896. For the next several years, he devoted a great deal of time on reflecting on conditions of life and business and by 1905 he had formed a definite philosophy of business relations.

Talking it over with three of his clients - Silvester Schiele, a Coal Merchant, Gustavus Loehr, a Mining Engineer and Hiram Shorey, a Merchant Tailor, he conceived the idea of organising a club which came into being on 23rd of February, 1905. This was the nucleus of the thousands of Rotary Clubs which were later organised throughout the world.

While Paul Harris devoted much of his time to Rotary, he was also prominent in civic and professional works. He was the honorary Vice President of the International Society for the Crippled Children, a Member of the Board of Managers of the Chicago Bar Association and member of the International Committee of the American Bar Association.

During his life time, he received many recognitions and awards from different countries, including the coveted Legion of Honour Award by France. He was elected President Emeritus of Rotary International in 1912 and was active in Rotary until his death on January 27, 1947.

HANDOVER ADDRESS BY THE PRESIDENT OF THE ROTARY CLUB OF CHOBA UNIPORT FOR THE 2025/2026 ROTARY YEAR

Rtn Adekunle Sofolabo (PHF)
Immediate Past President

Dear Rotarians and friends of Rotary, it is with great Joy and happiness, that I warmly welcome you all to this special occasion of the new rotary year (2026/2027), where we are all enjoined to "Create Lasting Impact" as positive disruptors.

On behalf of my beloved family, I wish to sincerely appreciate all Rotarians, Rotaractors, and friends of Rotary, for your great support, cares, prayers, time, treasure and talents, given to me during this immediate rotary year (2025/2026).

I am highly grateful to you all without your kind support, it would have been difficult, but it all ended in glory and success during the year for our club, where we all "Unite for Good".

During the past Rotary Year, projects and services were rendered by the club to humanity, as the mantra of our Club, District 9141 and Rotary International (Service above Self), despite the challenges faced by the leadership of the club, where some past presidents and members abandoned their once cherished club, without support.

Yet, Rotary Club of Choba Uniport was adjourned as one of the healthy clubs in District 9141 during the last District Conference (DISCON), most importantly, keeping our Club out of termination from Rotary International.

Also, we were able to achieve Rotary International Citation for our Club,

which is a testament to the fact that we performed creditably as a Club despite the challenges.

by the women.

GRANDFATHER'S CLOCK

1. My grandfather's clock was too large for the shelf
So it stood ninety years on the floor,
It was taller by half than the old man himself

And was always his treasure and pride
But it stopped, short, never to go again
When the old man died

Chorus

Ninety years without slumbering

(Tick, tock, tick, tock)
It stopped, short, never to go again
When the old man died

2. It rang an alarm on the dead of the night
An alarm that for years had been dumb
And we knew that his spirit was plumbing for flight
That his hour of departure had come
Still the clock kept the time with a soft and
mumbled chime
As we silently stood by his side
But it stopped, short, never to go again
When the old man died. (Chorus)

THE ROTARY FOUNDATION

A Brief History of the Rotary Foundation

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

Growth of the Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organisation, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

Evolution of Foundation programs

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange,

Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunise 6 million Philippine children against polio.

1985: The PolioPlus program was launched to eradicate polio worldwide.

1987-88: The first peace forums were held, leading to Rotary Peace Fellowships.

2013: New district, global, and packaged grantsenable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$1 billion.
